CORPORATE PROFILE

WE DO

Chairman's Message

We do continue to serve the business and corporate sectors of Qatar since its incorporation in 2015. We have sucured an enviable reputation for quality and reliability and have diversified our technology services such as printing, publishing, panaflex banner, digital printing and production.

We are proud of the fast growing achievements as we are steadily building our services, partnerships and client base. We are confident that we will build on this success as we move forward into the future.

As ever, it is a pleasure to serve everyone of our clients.

Chairman

We Do Printing Press

About Us

WE DO has built a loyal client base through the delivery of quality products, reliable services and efficient customer-centric care. We stand out from the rest because of our highly skilled, hand picked groups and the synergy we have between various operations and our partners. We can take a project from initial design to final production, whether it's corporate creative printing requirement to premium event gift items. Our one-stop-shop approach means that our clients are assured of the highest attention to detail and quality production from start to finish.

Vision

To maintain our position as one of the leading design and print companies in Qatar while contributing to the advancement and development of Qatar.

Mission

To deliver best-in-class service to our customers across all of our operations and to develop into an international, first class printing enterprise.

Our Team

Expertise and Enthusiasm

Over the years we have assembled a professional team with all the right qualities to deliver amazing work for our clients. Each team member is highly talented in their respective area of expertise, individuals are highly motivated in serving each clients printing requirements.

This enthusiasm and exceptional skill base shines through on every project we do.

General Authority of Customs

Leather Accessories

Making a Leather Messenger

These hand made, stylish and durable items from our one of kind sample collection are produced to very high quality and environmental standards. The leather is taken from manufacturing scraps in the far East which are pulped and compressed into recycled leather sheets.

The products are certified Environment Free which comply with all local and global standards for quality, health, safety and environment.

Quality Printing

State-of-the-Art in Every Way

We use the latest technology and the newest printing presses to meet the needs and demands of our clients and deliver exceptional quality print. We offer what we call a total printing solution which includes offset printing, used for high quantity jobs or when quality is essential, and digital printing, for low volume and special sizes and applications. Depending on each job we will advise on which type of printing best suits your needs and budget.

A Specialist in Security Printing

In addition to standard and premium printing service we are experts at providing security printing for banks and financial institutions and government entities. Our range includes chequebooks, A4 perforated cheques and security cheques, PIN mailers, ticketing and official documentation.

Corporate & Official Stamps

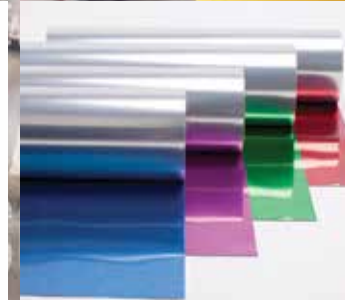

A Seal of Approval

Our quality stamps are of the highest quality and are characterised by particularly long service life, thereby reducing the need to replace them as frequently. We produce a wide range of stamps for every occasion; from crafting to office and much more. You can be sure that we have exactly what you need to get the job done. All our stamps can be custom made which means you can feature logos and text of your choice.

Binding and Laminating

Improve your bottom line with book binding/laminating presentation, shrink packaging supplies and to give your image or packaged materials that extra finishing touch, we can help push your image to extraordinary heights. Perfect for creating professional reports, proposals and documents.

VVIP Box

Signage

Inspired by Imagination

We can manufacture anything from individual signs to complete Wayfinder Systems for your entire corporate buildings with creations that are both innovative and beautiful. Our signage solutions include prototyping, design and technical development, manufacture, installation, maintenance and after care service.
